CULTURE, LIVING

Today, we're sharing what our editors were loving this week and what we're looking forward to this weekend! As always, we love to see what you're up to and what's inspiring you, so be sure to tag your weekend snaps with #GG5things, #flashesofdelight and @glitterguide on Twitter and Instagram. Happy Friday!

**Art of the Gentlewoman:** In other launch news (big month so far!), [a new California-based company](#) introduced a line of timeless, non-trend-based clothing and accessories designed to empower women. We are loving the chic basics!
