## 8@8: Your Morning Scoop

BY KAYLA BOYD MARCH 03, 2017

### Deal of the Day:

If Women's History Month has inspired you to buy a new pant suit, then we can tell you where to look. California-based brand Art of the Gentlewoman is making their debut with a capsule collection for Spring/Summer 2017. Designers Melissa & Melissa introduce wardrobe pieces that are "rooted in core dressing with a sartorial edge." The collection is meant to be universally flattering with function in mind. Their price range is \$68 - \$280.
